## Section G - Program Attendance and Other Services

### *Program Attendance*

When reporting the number of programs, count the total number of events. A story time held once a

week for a year is counted as 52, not as one.

When reporting attendees, count total number of attendees regardless of the age. A children's program attended by 10 children and 10 adults is counted as 20, not as 10.

Live, virtual programs are conducted via a Web conferencing or webinar platform during which a library staff member (or other party sponsored by the library) is presenting to or interacting with an audience in real-time. These are considered programs for survey purposes and should be added into programming counts as indicated below.

Recordings of program content include video or audio recordings created by a library staff person (or other party sponsored by the library) and posted to a video or audio hosting platform for the audience to view or list to on-demand. Do not include promotional or marketing content. Recordings of program content are counted separately as indicated below.
